COUNTY OF LOS ANGELES FISH AND GAME COMMISSION

LOS ANGELES COUNTY FISH AND GAME COMMISSION INFORMATION FOR GRANT APPLICANTS

THE COMMISSION

The Los Angeles County Fish and Game Commission is an advisory body for the Los Angeles County Board of Supervisors and the Fish and Game Warden regarding the propagation and protection of fish and game in Los Angeles County and the State of California. It was created by authority of a resolution adopted February 26, 1952 under Chapter 3.26 and Chapter 6.44 of the [Los Angeles County Code](#). The Commission administers and makes recommendations for the disbursement of funds received from fines for violations of the Fish and Game Code within the County of Los Angeles. Grant making is based on the availability of funds, geographical and categorical considerations and a thorough evaluation of the information provided by applicants. The Commission meets quarterly, but grant applications may be submitted at any time.

POLICY AND OBJECTIVES

The policy of the Los Angeles County Fish and Game Commission is to encourage the conservation and maintenance of wildlife resources in conjunction with Sections [1801](#) and [13103](#) of the California Fish and Game Code. This policy includes the following objectives:

- To enhance Fish and Game activities including propagation, protection and restoration
- To support Fish and Wildlife projects
- To further Research and Education in areas related to Fish and Wildlife

APPLICATION SUBMISSION REQUIREMENTS

Non-profit organizations with an IRS 501 (c) (3) tax-exempt status or a purpose consistent with the definition of 501 (c) (3) status are eligible to apply.

Project/Program Must Clearly Qualify For Funding [Under Section 13103 of the California Fish and Game Code](#) - (Please Refer to Attachment A). Projects funded under this Section must be expended for the propagation and conservation of fish and game within or outside the County.

Completed applications must be submitted via e-mail to Fish&Game@bos.lacounty.gov or to the following address:

LOS ANGELES COUNTY FISH AND GAME COMMISSION
500 WEST TEMPLE STREET, ROOM B-50
LOS ANGELES, CALIFORNIA 90012

Supervisory District representatives, County Department and/or Organization must attend and make a presentation at the Commission meeting, as notified, in order to have their grant application considered.

APPLICATION EVALUATION CRITERIA

Applications must include all of the information and materials requested on the attached Grant application for consideration by the Commission. If additional space is required, please use 8½ x11 paper.

CALIFORNIA FISH AND GAME CODE

§ 13103. Expenditures from fish and wildlife propagation fund; purposes

Expenditures from the fish and wildlife propagation fund of any county may be made only for the following purposes:

- (a) Public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.
- (b) Temporary emergency treatment and care of injured or orphaned wildlife.
- (c) Temporary treatment and care of wildlife confiscated by the department as evidence.
- (d) Breeding, raising, purchasing, or releasing fish or wildlife which are to be released upon approval of the department pursuant to Sections 6400 and 6401 onto land or into waters of local, state or federal agencies or onto land or into waters open to the public.
- (e) Improvement of fish and wildlife habitat, including, but not limited to, construction of fish screens, weirs, and ladders; drainage or other watershed improvements; gravel and rock removal or placement; construction of irrigation and water distribution systems; earthwork and grading fencing; planting trees and other vegetation management; and removal of barriers to the migration of fish and wildlife.
- (f) Construction, maintenance, and operation of public hatchery facilities.
- (g) Purchase and maintain materials, supplies, or equipment for either the department's ownership and use or the department's use in the normal performance of the department's responsibilities.
- (h) Predator control actions for the benefit of fish or wildlife following certification in writing by the department that the proposed actions will significantly benefit a particular wildlife species.
- (i) Scientific fish and wildlife research conducted by institutions of higher learning, qualified researchers, or governmental agencies, if approved by the department.

- (j) Reasonable administrative costs, excluding the costs of audits required by Section 13104, for secretarial service, travel, and postage by the county fish and wildlife commission when authorized by the county board of supervisors. For purposes of this subdivision, "reasonable cost" means an amount which does not exceed 3 percent of the average amount received by the fund during the previous three-year period, or three thousand dollars (\$3,000) annually, whichever is greater, excluding any funds carried over from a previous fiscal year.
- (k) Contributions to a secret witness program for the purpose of facilitating enforcement of this code and regulations adopted pursuant to this code.
- (l) Cost incurred by the district attorney or city attorney in investigating and prosecuting civil and criminal actions for violations of this code, as approved by the department.
- (m) Other expenditures, approved by the department, for the purpose of protecting, conserving, propagating, and preserving fish and wildlife.

(Amended by Stats.1990, c 764 (A.B. 4039), § 3; Stats.1991, c. 561 (A.B.722), § 2.)

One Page Project Summary

This program is it's 11th year of operation with the Friend's of Santa Fe Dam Support group and the San Gabriel Mountains Regional Conservancy. It is designed to introduce the recreational sport of fishing to kids who have never fished before. It also brings families together for a fun and safe event that they will remember for years to come.

Background on Applicant:

Purpose and goals: Designed to bring the sport of fishing to kids in the local area as well as providing a fun and safe recreational opportunity to have families enjoy themselves.

Brief summary of current activities: Opportunity to fish overnight in a safe environment as well as camping.

Geographic area served: Geographic area served is the San Gabriel Valley with is roughly 2 million people.

Grant Application
Page 4

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year: Monetary funding is minimal but the volunteer hours from the support group is roughly 600+ hours a year which equates to roughly \$9000 a year.

History of all grants received from the Los Angeles County Fish and Game Commission: This program has received three grants from the Commission.

Project Information

Statement of justification of need: Department of Fish and Wildlife stock the lake with fish but with recent curtailments, the stocking have become infrequent. This planting will benefit the increased chances of kids catching fish.

Statement of purpose and goals: To provide a safe and fun environment for kids and families to fish and camp in a safe facility.

Action plan to meet objectives:

One Page Project Summary

The County of Los Angeles Department of Parks and Recreation, Whittier Narrows Recreation Area, is requesting \$2,500.00 in funding from the County of Los Angeles Fish and Game Commission for the purpose of providing an annual youth and family fishing event at Whittier Narrows Recreation Area, Legg Lake. The funding will be utilized Saturday, December 3, 2016

.

The Site is located at:

Whittier Narrows Legg Lake, 751 South Santa Anita Avenue, South El Monte, 91733

.

Funding will be used to purchase additional trout stocking for the "Fishing With Santa 2016" event, held in conjunction with the Department of Fish and Game, Educational section.

.

This program is designed to provide a free family oriented recreation activity to the residents of Los Angeles County, while offering environmental education, enhancing the interest of fishing for at-risk youth and outdoor exercise experience for the entire family.

Background on Applicant:

Purpose and goals:

The County of Los Angeles Department of Parks and Recreation, Whittier Narrows Recreation Area's mission is to meet the diverse leisure needs and recreation interests of more than two million residents of Los Angeles County that utilize the 1,400 acres of Whittier Narrows annually. This unique facility is comprised of many special interest areas including three lakes with approximately 77 acres of water surface.

Brief summary of current activities:

Whittier Narrows currently provides a Junior Fishing Club, an overnight family fishing event and "Fishing With Santa 2016" event. This facility offers an enjoyable opportunity to residents of all ages by providing the community open space to enjoy family picnics, fishing, walking or ride on equestrian trails. Whittier Narrows also provides low cost community special events, organized sports programs and hobby activities throughout the year.

Geographic area served:

The County parks and programs are open to everyone without regard to race, ethnicity, income level or place of residence. Local parks are generally considered to have a service radius of 1/2 to 2 miles, while regional parks draw participants from areas that are remote from the park. The Department's vast resources include more than 65,000 acres of public open space and recreational areas.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

Each year, Whittier Narrows Recreation Area maintains its park facilities through a combination of Department General Fund monies, user fees, donations, sponsorships, grants and endowments. Los cost community based events are dependent on sponsorships and donations to enable the facility to offer these events to residents. There is no Department funding for the community-based recreation programs, such as fishing events at Whittier Narrows. One of this facilities main objective is seeking additional funding to enhance community programming at Whittier Narrows Recreation Area and to continue providing inner-city fishing to the public.

History of all grants received from the Los Angeles County Fish and Game Commission:

2002 - \$5,000.00; 2003 - \$5,000.00 Whittier Narrows Overnight Fishing Events
2004 - \$2,500.00; 2006 - \$2,500.00 Overnight Fishing Events
2007 - \$2,500.00 Youth Fishing Derby
2011 - \$2,500.00 Junior Fishing Club program
2012 - \$3,000.00 Youth Fishing events held in April and December
2013 - \$2,500.00 Fishing With Santa Event
2014 - \$2,500.00 Fishing With Santa Event

Project Information

Statement of justification of need:

In addition to recreational services provided to low or not cost to the patrons, this facility offers the public valuable learning opportunities by; providing fishing clinics, free rod and reel loans, free bait and volunteers to assist the youth in learning fishing techniques or answer any questions that the inner-city youth might have about the catch and release practice, identification of types of fish and any other questions they may have to enhance their enjoyment of fishing. Legg Lake is located in a urban setting, located many miles from any other public fresh or ocean fishing facilities. Whittier Narrows is one of the few locations that provide an opportunity for fishing to inner-city youth.

Statement of purpose and goals:

Fishing events at County parks allows the Department to offer an additional recreation activity to the residents of Los Angeles County. Youth fishing clubs, fishing events and recreational fishing give urban dwellers the opportunity to experience the "rural" sport of fishing, while allowing the Department to control the quality and quantity of fish available for public fishing activities.

Action plan to meet objectives:

By obtaining additional funding, Whittier Narrows Recreation Area will work with the Department of Fish and Game, Education Department and provide at no cost a safe fishing event emphasizing the joys of fishing.

Statement of how the objectives advance the propagation and protection of fish and wildlife:

Through collaboration with the Fish and Game Commission, Whittier Narrows would be enhancing the education of propagation and protection of fish and wildlife through the learning stations operated during the fishing event. Only through education can we ensure the proper respect for the future of wildlife and fish. Moreover, by stocking the lakes with additional fish, we contribute to the balance and maintenance of the fish population at Legg Lake.

Project budget and timetable:

The total cost of the program for Fiscal 2016 - 2017 is \$10,000.00. The fees cover administrative costs, advertising, hot-dog lunch for participants, free bait, prizes for the raffle and indirect costs incurred from the program. One of the most valuable cost savings is the dedication over ten volunteers that stay overnight to secure the recently stocked fish and the 20 volunteers that provide the technical support and staff the educational stations during the event.

Sources of other support for project:

Currently, we are seeking additional sponsors. Support letters have been sent to major sporting good stores and private donors. The request is to encourage one of these major sources to subsidize the program for a minimum of five years.

Current status of project:

Currently, a special recreation fund has been set up to assist in funding of recreational programming. However, funding is not sufficient to cover total expenses. Additional donations, both in-kind and monetary are being sought out.

Cash flow analysis of the expenditure of project funds:

This years budget is based on the total cost of expenses from last years "Fishing with Santa" event and projected increase based on registered participants over the years.

Proposed method of evaluating results:

The number of participants will be the major measurement of success. In addition, a registration form to be filled out by participants, which will enable in monitoring the number of participants, age group, first time participants and the number of rod and reel borrowers. Dollar value of in-kind goods, materials and volunteers time will be an indicator form of money saved.

Plans for funding on-going project (if applicable):

Whittier Narrows Staff continues to seek sponsorship from major sporting goods stores, department stores and youth oriented organizations is being sought to support the "Fishing with Santa 2016" event.

COUNTY OF LOS ANGELES FISH AND GAME COMMISSION

LOS ANGELES COUNTY FISH AND GAME COMMISSION INFORMATION FOR GRANT APPLICANTS

THE COMMISSION

The Los Angeles County Fish and Game Commission is an advisory body for the Los Angeles County Board of Supervisors and the Fish and Game Warden regarding the propagation and protection of fish and game in Los Angeles County and the State of California. It was created by authority of a resolution adopted February 26, 1952 under Chapter 3.26 and Chapter 6.44 of the Los Angeles County Code. The Commission administers and makes recommendations for the disbursement of funds received from fines for violations of the Fish and Game Code within the County of Los Angeles. Grant making is based on the availability of funds, geographical and categorical considerations and a thorough evaluation of the information provided by applicants. The Commission meets quarterly, but grant applications may be submitted at any time.

POLICY AND OBJECTIVES

The policy of the Los Angeles County Fish and Game Commission is to encourage the conservation and maintenance of wildlife resources in conjunction with Sections 1801 and 13103 of the California Fish and Game Code. This policy includes the following objectives:

- To enhance Fish and Game activities including propagation, protection and restoration
- To support Fish and Wildlife projects
- To further Research and Education in areas related to Fish and Wildlife

APPLICATION SUBMISSION REQUIREMENTS

Non-profit organizations with an IRS 501 (c) (3) tax-exempt status or a purpose consistent with the definition of 501 (c) (3) status are eligible to apply.

Project/Program Must Clearly Qualify For Funding Under Section 13103 of the California Fish and Game Code - (Please Refer to Attachment A). Projects funded under this Section must be expended for the propagation and conservation of fish and game within or outside the County.

Completed applications must be submitted with ten (10) signed originals to:

LOS ANGELES COUNTY FISH AND GAME COMMISSION
500 WEST TEMPLE STREET, ROOM B-50
LOS ANGELES, CALIFORNIA 90012

Applicant(s) or representative(s) must attend and make a presentation at the Commission meeting, as notified, in order to have their grant application considered.

Successful applicants must provide the Commission a progress report in six months following the award of the grant.

APPLICATION EVALUATION CRITERIA

Applications must include all of the information and materials requested on the attached Grant application for consideration by the Commission. If additional space is required, please use 8½ x11 paper.

Revised 02-13-08

CALIFORNIA FISH AND GAME CODE

§ 13103. Expenditures from fish and wildlife propagation fund; purposes

Expenditures from the fish and wildlife propagation fund of any county may be made only for the following purposes:

- (a) Public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.
- (b) Temporary emergency treatment and care of injured or orphaned wildlife.
- (c) Temporary treatment and care of wildlife confiscated by the department as evidence.
- (d) Breeding, raising, purchasing, or releasing fish or wildlife which are to be released upon approval of the department pursuant to Sections 6400 and 6401 onto land or into waters of local, state or federal agencies or onto land or into waters open to the public.
- (e) Improvement of fish and wildlife habitat, including, but not limited to, construction of fish screens, weirs, and ladders; drainage or other watershed improvements; gravel and rock removal or placement; construction of irrigation and water distribution systems; earthwork and grading fencing; planting trees and other vegetation management; and removal of barriers to the migration of fish and wildlife.
- (f) Construction, maintenance, and operation of public hatchery facilities.
- (g) Purchase and maintain materials, supplies, or equipment for either the department's ownership and use or the department's use in the normal performance of the department's responsibilities.
- (h) Predator control actions for the benefit of fish or wildlife following certification in writing by the department that the proposed actions will significantly benefit a particular wildlife species.

(i) Scientific fish and wildlife research conducted by institutions of higher learning, qualified researchers, or governmental agencies, if approved by the department.

(j) Reasonable administrative costs, excluding the costs of audits required by Section 13104, for secretarial service, travel, and postage by the county fish and wildlife commission when authorized by the county board of supervisors. For purposes of this subdivision, "reasonable cost" means an amount which does not exceed 3 percent of the average amount received by the fund during the previous three-year period, or three thousand dollars (\$3,000) annually, whichever is greater, excluding any funds carried over from a previous fiscal year.

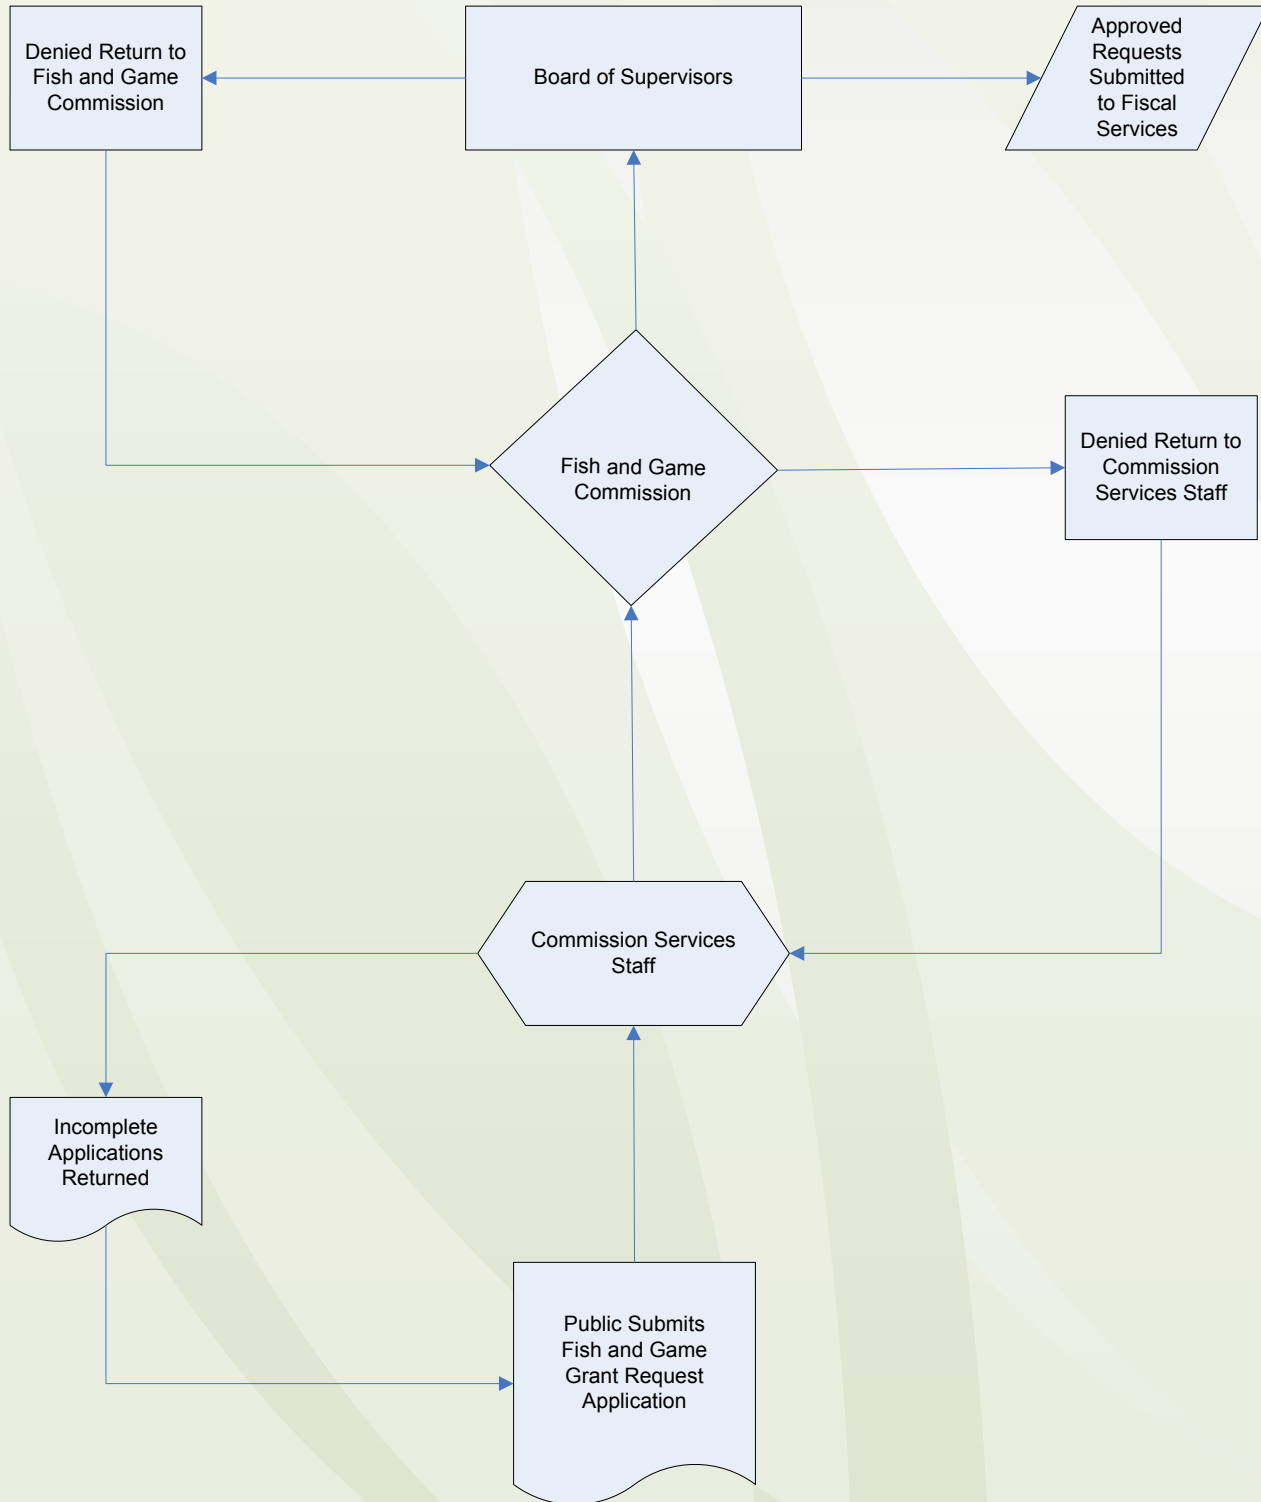

(k) Contributions to a secret witness program for the purpose of facilitating enforcement of this code and regulations adopted pursuant to this code.

(l) Cost incurred by the district attorney or city attorney in investigating and prosecuting civil and criminal actions for violations of this code, as approved by the department.

(m) Other expenditures, approved by the department, for the purpose of protecting, conserving, propagating, and preserving fish and wildlife.

(Amended by Stats.1990, c 764 (A.B. 4039), § 3; Stats.1991, c. 561 (A.B.722), § 2.)

One Page Project Summary

The Cerritos Youth Fishing Derby is an annual event that takes place every year in June at Cerritos Community Regional Park located in Cerritos, California. The event includes a generous stocking of catfish in the lake, a free pancake breakfast, fishing lessons provided by the State of California Department of Fish and Wildlife "Fishing in the City" Program, a souvenir photo, T-shirt and awards. The event starts at 7:00 am and concludes at 12:00 pm. The event is free to the participants and open to children ages 5- 15. Last year we registered 1483 youth anglers with a total of approximately 3,500 people in attendance.

Background on Applicant's Organization

Purpose and goals:

The purpose of the event is to introduce youth living in an urban setting to fishing, conservation and maintenance of wildlife. Our goal is to introduce and encourage fishing as a recreational activity while establishing and appreciation of the environment. We strive to implement the opportunity to instill fishing to the youth in our community by making the ethical anglers.

Brief summary of current activities:

Currently the County of Los Angeles Department of Parks and Recreation provides a diverse selection of recreational and educational activities including but not limited to youth and adult sports, fishing and environmental education, cultural celebrations and special events. We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County Parks, Lakes, Gardens, Golf Courses, trails and open space areas.

Geographic area served:

The Cerritos Youth Fishing Derby serves the following communities within the 4th Supervisorial District: Lakewood, Cypress, Buena Park, Norwalk, Whittier, Santa Fe Springs, Hawaiian Gardens, Long Beach, Bellflower, Artesia and other surrounding communities.

Grant Application
Page 4

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

In the previous fiscal years and in the current year this program is supported by funding from the State of California Department of Fish and Wildlife, Los Angeles County, the Cerritos Rod and Gun Club and several community based organizations.

History of all grants received from the Los Angeles County Fish and Game Commission:

This is the third time that Cerritos Community Regional Park of Los Angeles County Department of Parks and Recreation has applied for a grant from the commission for this event. Throughout the history of this event the 4th Supervisorial District Office has requested funds for additional fish stock from the La County Fish & Games Commission.

Project Information

Statement of justification of need:

The Cerritos Youth Fishing Derby is a free public program and draws approximately 4,000 children to this event. Due to the large number of attendees and the limited amount of revenue generated from the program it is vital that we seek additional resources from the Commission to ensure a successful, educational and memorable event for all in attendance.

Statement of purpose and goals:

The purpose of the event is to introduce youth living in an urban setting to fishing, conservation and maintenance of wildlife. Our goal is to introduce and encourage fishing as a recreational activity while establishing and appreciation of the environment. We strive to implement the opportunity to instill fishing to the youth in our community by making the ethical anglers.

Action plan to meet objectives:

January 2016- Set-up Meeting with stakeholders to discuss program implementation and submit grant application.

February 2016- Procure all equipment, services and supplies.

March 2016- Send out save the date flyer's to all school districts within the 4th Supervisorial District service area.

April 2016- Set-up Meeting with stakeholders to discuss program implementation.

May 2016- Send out the official flyer's to school districts and local businesses.

June 2016- Implement and evaluate the program.

Grant Application
Page 6

Statement of how the objectives advance the propagation and protection of fish and wildlife:

By conducting the youth fishing derby we advance propagation by introducing fish the lakes environment and contribute to the protection of the wildlife by educating the attendees to proper use of equipment, methods of angling and the importance of conservation.

Project budget and timetable:

The purpose of the event is to introduce youth living in an urban setting to fishing, conservation and maintenance of wildlife. Our goal is to introduce and encourage fishing as a recreational activity while establishing and appreciation of the environment. We strive to implement the opportunity to instill fishing to the youth in our community by making the ethical anglers.

Sources of other support for project:

State of California Department of Fish and Wildlife
Los Angeles County Supervisor Don Knabe
Cerritos Rod and Gun Club
City of Cerritos

Current status of project:

This project is in its planning stage but has received a commitment from all partners mentioned on the application. We are currently seeking additional resources to enhance the program.

Cash flow analysis of the expenditure of project funds:

Los Angeles County Supervisor Don Knabe	\$12,600
Parks And Recreation	\$1,800.00
Awards	\$400.00
Staff Expenses	\$2680.00

Total expenditures:\$17,480.00

expenditures include: Fish, T-shirts, food, staff, cooking tool rentals,ISD etc.

Proposed method of evaluating results:

The program will be evaluated based on the number in attendance, participation in the learning stations, breakfast served and fish caught. Additionally, we will gather public input by way of participant feedback survey cards.

Plans for funding on-going project (if applicable):

In the future the Department of Parks and Recreation will continue to build partnerships and seek sponsors for the future free to the public fishing events.

Progress reports (bi-yearly or upon completion, whichever occurs first):

Evaluation for 2015 Youth Fishing Derby was submitted following the event.

One Page Project Summary

The South Bay Youth Fishing Event is an annual event that takes place in May at Alondra Park located in Lawndale, California. The event includes a generous stocking of catfish in the lake, a free lunch, fishing lessons provided by the State of California Department of Fish and Wildlife "Fishing in the City" Program and awards. The event starts at 7:00 am and concludes at 11:00 am. The event is free to the participants and open to children ages 5-15.

Background on Applicant's Organization

Purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, cultural programming, and will enhance the community environment by acquiring, developing, and maintaining County parks, lakes, gardens, golf courses, trails, and open space.

Brief summary of current activities:

The County of Los Angeles Department of Parks and Recreation provides a diverse selection of recreational, educational programs, and activities including, but not limited to: youth, adult sports, fishing, environmental education, cultural celebrations, and special events.

Geographic area served:

The South Bay Youth Fishing Event serves the following communities within the 2nd District: Lawndale, Gardena, Los Angeles, Torrance, Redondo Beach, Hermosa Beach, Carson, Hawthorne, Lomita, and the surrounding communities.

Grant Application
Page 4

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

In the previous fiscal years and in current year this program is supported by funding from the State of California, Los Angeles County, Gardena Youth Sports Advisory Board and the City of Gardena.

History of all grants received from the Los Angeles County Fish and Game Commission:

This is the third time that Alondra Park of Los Angeles County Department of Parks and Recreation has applied for a grant from the commission for this event. Throughout the history of this event the 2nd Supervisorial District Office has requested funds for additional fish stock from the L.A. County Fish & Game Commission.

Project Information

Statement of justification of need:

The South Bay Youth Fishing Event is a free to the public event that draws more than 2000 youth annually. Due to the popularity of the event and it's continued growth, it has become critical that we seek additional resources and partners in order to put on the event at the same level each year. The funding provided from the commission to purchase fish for this derby is vital to the program's existence and without this funding the program may not continue.

Statement of purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, cultural programming, and will enhance the community environment by acquiring, developing, and maintaining County parks, lakes, gardens, golf courses, trails, and open space.

Action plan to meet objectives:

In January, 2016 - Setup meeting with stakeholders to discuss program implementation and submit grant application. On February, 2016 - Secure all equipment and supplies. In March, 2016 - Send out Save the date flyers to all school districts in the surrounding area. In April, 2016 - Send out official flyers to school district and local businesses. In May, 2016 - Implement and evaluate the program.

Statement of how the objectives advance the propagation and protection of fish and wildlife:

By conducting the youth fishing derby we advance the propagation by introducing fish and lake environment to contribute the protection of the wildlife by educating the attendees to proper use of equipment, methods of angling and the importance of conservation.

Project budget and timetable:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, cultural programming, and will enhance the community environment by acquiring, developing, and maintaining County parks, lakes, gardens, golf courses, trails, and open space.

Sources of other support for project:

California State Fish and Wildlife
Los Angeles County Supervisor 2nd District
Gardena Youth Sports Advisory Board
City of Gardena

Current status of project:

This Project is in it's planning stages, but we have a commitment from all partners mentioned on the application. We are currently seeking additional resources to enhance the program.

Cash flow analysis of the expenditure of project funds:

Revenue

Gardena Youth Sports Advisory Board	\$800.00
City of Gardena	\$1,250.00

Expenditures

Lunch and supplies	\$320.00
T-Shirts	\$2,730.00

Proposed method of evaluating results:

The program will be evaluated based on the number in attendance, participation in the learning stations, lunches served, and fish caught. Additionally, we will gather public input by way of participant feedback forms.

Grant Application
Page 8

Plans for funding on-going project (if applicable):

In the future the Department of Parks and Recreation will continue to build partnerships and seek sponsors for the future free to the public fishing events.

Progress reports (bi-yearly or upon completion, whichever occurs first):

Evaluation for 2015 South Bay Youth Fishing Event was submitted following the event.
